14th December 1998

To Whom it may concern c/o Mr Thomas Patterson

Dear Sir

Re: Jaguar 2.8 AKG 980L

We confirm the fitting of a new Jaguar 4.2 engine conversion in 1986 to the above vehicle. At this time the braking system was upgraded to the 4.2 specification. Recently the vehicle has been fitted with a new stainless steel exhaust system and the body work renovated. The vehicle is now in first class condition.

Yours faithfully

Mr N Taylor
