## **HISTORY**

**THIS IS THE RESULT OF LOCKDOWN MADNESS. BOUGHT ON EBAY BY THE CURRENT OWNER IN APRIL 2020.**

**THE PREVIOUS OWNER A LOVELY LADY TEACHER DESCRIBED THE CAR AS FANTASTIC AND STATED JUST PUT THE PICNIC BASKET ON THE BACK AND HEAD TO THE COUNTRY. SHE WAS CONVINCING I BOUGHT IT.**

**IT WAS DELIVERED TO ME BY A TRANSPORT COMPANY AND THEN THE SHOCK BEGAN.**

**WHAT ARRIVED WAS A TOTAL WRECK – EXHAUST WITH MORE HOLES THAN YOU COULD COUNT, NO BRAKES, FUEL LINES BROKEN OFF SO THAT IF IT DID START YOU COULD SPRAY EVERYONE IN PETROL, WHEELS WERE FROM SOME FORM OF FARM TRAILER WITH THE CHEAPEST SHODDY TYRES ALL THREADBARE, CARBS OUT OF SYNC, HOOD WITH HOLES. SOMEONE HAD TRIED TO PUT CHROME BUMPERS ON BUT THEY FELL OFF AS THEY WERE NOT ATTACHED TO ANYTHING. I TRIED TO CONTACT THAT SWEET LITTLE OLD LADY TEACHER, GUESS WHAT SHE DISAPPEARED FROM EBAY.**

**I THOUGHT ABOUT TRENTS BUT THEN STARTED SPENDING THIS IS WHAT I DID**

**RETURNED BUMPERS TO ORIGINAL – PURCHASED RUBBER ONES**

**RETURNED WHEELS TO ORIGINAL – PURCHASED AS CLOSE AS I COULD GET TO ORIGINALS**

**FITTED NEW FUEL LINES**

**HAD CARBS REFURBISHED AND BALANCED**

**NEW EXHAUST FITTED**

**NEW CLUTCH CYLINDER**

**4 BRAND NEW TYRES**

**BOUGHT NEW HOOD – **NOT FITTED BUT COMES WITH THE CAR****

**TRACK RODS DONE**

**SUSPENSION OVERHAUL**

**UNDER BONNET LOOKS MESSY BUT IT HAD A FAULTY THERMOSTAT AND BOILED OVER IT HAS BEEN COMPLETELY SORTED AND NO DAMAGE TO THE HEAD TOOK PLACE**

**STOPPING THERE SO NOW ITS YOUR TURN**
