

## Brief history of MGC TJJ 795F (1968) Roadster.

3 former owners - first owner died, but second owner Maurice Parfitt of 'The Bishop's Cottage, 12 Old Aust Rd. Almondsbury, Bristol BS32 4HJ.  
TEL 01454613521 (Email mauriceparfitt1@gmail.com). Confirms the mileage of ~~17,327~~<sup>70</sup> as genuine and he had the engine overhauled 12K miles ago by a reputable Bristol firm. He says the new owners can contact him for any details.

The third owner only did 1000 miles and had new minilight wheels, new tyres, carpets, new cloth hood (600f), stainless steel exhaust & seats have been recovered.

I have owned the vehicle for 6 years, and altho haven't used it, I have regularly started the engine and run the car up & down the drive. - Always starts first time.

- (1) I put in 2 new Varta 12V batteries last Christmas, (5yr guarantee).
- (2) I put new discs, callipers, shoes and pads and fluid to refurb the brakes in March 2021.
- (3) Overhauled the carbs and put in 2 new non stick needles and new petrol pipes, 2020.
- (4) Got rid of points and condenser & put in a new electronic ignition system 2019.
- (5) Fitted cover over radiator to aid cooling (mine didn't have one?). £250 for second hand one.
- (6) Kept history folder up to date.
