Trevor,

A short note, as promised, to confirm that I purchased Triumph Spitfire WRD 347T from my youngest sons' fiancée's mother, who purchased the vehicle from her husband when it was just over 12 months old; he bought it new.

The car was little used and laid up in their garage during 1995 where it remained until I bought it in 2007; the mileage was warranted to me on purchase so I can confirm that the mileage of 40,310 miles was correct at 25th July 2008 (date of sale to you).

Regards,
