Dear Mark, Patrick and Colin,

The Membership Department at FOC Club Office has sent me your details, and I would firstly like to welcome each of you to the Wessex Area of the Club to which you have been assigned.

To give you some idea of what goes on in the Wessex Area, I have attached a copy of our 2017 Calendar of Events. This gives details of both National and Area events, and although we are now coming to the end of 2017, you can see that we are quite a busy Area, with something going on most weeks of the better months. I will be issuing our 2018 Calendar of Events in the next month or so.

You are under no obligation to attend any of our events, but I hope you will find something of interest to enhance your Ferrari ownership.

Our most popular and regular event is our Monthly Meet, which is normally held on the 1st Thursday evening of the Month at a different Pub in our Area each time. These are informal meetings of like-minded Ferrari owners, where we have bite to eat and drink, swap some friendly banter and I take the opportunity to update those present with details of up-coming events etc. Dress is casual, food chosen from the Bar Menu and partners, wives and girlfriends are very welcome.

Occasionally we might hold our Monthly Meet at a weekend and combine it with a drive-out or visit to a place of interest etc. I usually try to move our Meet venues around our Wessex Area so that those living on the outer edges of our area have a chance to attend when nearer to them, as I appreciate it can sometimes be difficult to make evening events during the working week. I usually send out a flyer for our Meets a week or so beforehand and ask those attending to let me know so that I can reserve enough space/seating for us and sometimes I might also ask you to pre-choose your food.

We usually bring our Ferraris along, especially when the weather is good, but as the winter months approach and the weather deteriorates the numbers of Ferraris attending understandably drops off, but you are still welcome to attend in your everyday car.

Our next Monthly Meet would normally have been held on 5th December, however, we are holding our Festive Dinner & Disco on Friday, 1st December and so this will take its place instead. I have attached a copy of the Flyer and Menu, and I know it's very short notice, but if you would like to come along please let me know by return as this will be the last Wessex event of 2017. You will see that we are sharing the venue with members of the New Forest Morgan Owners Club and I think it will be a fun evening. If you do wish to come, I shall need your food choices very quickly and you will also need to pay the full amount, as emails have already been sent out to members asking for their final balances to be paid.

I do hope you'll be able to join us on the 1st but if not, I look forward to meeting you at another Wessex Ferrari event in the near future.

Kind regards,

Peter James
