## AREA GROUPS

Dear Member

There are currently twenty-four active Area Groups within the Ferrari Owners' Club. These groups gather together for a variety of events whether for a regular monthly pub night or, as is the case in some of the larger covering areas, occasional meetings. These groups are run by Members who volunteer their time to organise events for other Members in their area. Some also produce regular newsletters to keep their Members informed. Anyone from any area is welcome to contact any of the organisers, so if you regularly visit another region for weekends, holidays or business please feel free to join as many groups as you wish.

Area Group Organisers are unpaid volunteers and are not expected to contact every member in their area. There are as many as 400 members that could be assigned to one area so it is important that those who wish to take part in activities close to home contact the organisers of the areas they are interested in directly.

If you are interested in helping out in an existing area, please contact your local organiser for more information.

If you are in a position to offer anything to a particular area such as an event or a venue to use for an event, please contact the relevant organiser or the club office on 01327 855430 or e-mail

- 6) Cancellation of your Direct Debiting Mandate can be effected at any time by notifying your bankers and advising the Club accordingly.
- 7) If Direct Debits should be originated in error by the Club, you may seek immediate reimbursement from us through your bankers under the terms of the Indemnity and this letter will serve to establish the nature of the arrangement between members and the Club for the payment of subscriptions, when taken in conjunction with the Direct Debiting Mandate.

We hope that in the light of the above assurances you may be prepared to favourably consider using this facility, in the knowledge that your interests under the Direct Debiting Scheme are fully protected by the requirements that the prescribed Form of Indemnity in favour of your bankers has been executed on behalf of the Association and lodged with the Committee of London Clearing Bankers.

## BEAULIEU SUPERCAR WEEKEND -5<sup>TH</sup> & 6<sup>TH</sup> AUGUST 2017

Dear Patrick,

I would like to take this opportunity to thank you for offering to display your car at the Beaulieu Supercar Weekend event. This is the seventh year of the event and hopefully it will be the best one yet.

### General Information for the day

Please could you arrive between 8.30- 10.00. If you could stay until after the second demonstration straight that would be appreciated (around 16.00). We open the doors to visitors at 10am so having you arrive before the visitors enter makes it easier to park you and rope the cars off prior to the public opening.

### Parking: - ALL CARS ON GRASS THIS YEAR

Demonstration run drivers – You will have a yellow vehicle pass, please show this pass to Marshalls when you arrive and we can direct you to parking. Cars will be roped off.

Non-Demonstration Drivers – You will have a blue vehicle pass, please follow the stewards' guidance, we will be parking you on grass as well. Cars will be roped off.

### ARRIVAL

All drivers please note we will NOT be using the main visitor entrance this year. Instead we will be using Lord Montagu's private entrance next to Palace House. I have included in this pack a map of where the entrance is. There will be signs directing you as well but please do remember NOT to use the main visitor entrance unless you enjoy spending time in queues!

We are pleased to offer you complimentary access to the show. I have enclosed wristbands which will allow you plus a passenger access to the show and the Drivers' Refreshment Marquee where tea/coffees and a selection of snacks will be served throughout the day. Please keep your wristbands on so you can gain access to this area. You will also have access to the National Motor Museum, the World of Top Gear and all the Beaulieu Attractions on site throughout the day.

### DRIVERS MARQUEE

Open for Light refreshments from 8.30 for all drivers and passengers. Please make sure you have your fabric wristbands on to access this area.

## DISPLAYS

We will be using a lot of the Beaulieu Museum complex this year. There will be a nice display on the lawns of Palace House from Classic Insurance Services, The SUV Secret Garden display close to Palace House. We will also be putting on our 'Battle of the Brands' display which will take place in close proximity to the Museum. We also have some nice little displays which include the new Ford GT road car and new Ford GT race car which will be coming from Ford. As usual though the main feature will be your cars so thank you ever so much for agreeing to join us over the weekend.

## Hospitality for Drivers

For those who have booked in for the various hospitality options, please find enclosed your wristbands, these will need to be worn to access the hospitality area at The Domus. This area is open from **10.00-18.00** during the day.

We still have some availability for hospitality packages so if this is of interest then please do let us know and we will happily book you in.

Thank you again for attending the show and we look forward to welcoming you to the 2017 Beaulieu Supercar Weekend. If you have any questions please do not hesitate to get in touch before the event.

Kind Regards

**Dear sirs**

**Vehicle registration number S55 PGH**

**My apologies for failing to enclose the V5C. It is now enclosed together with my cheque for £80 and the other necessary documents.**

**For the avoidance of doubt, I wish to put S55 PGH onto my Ferrari (current number SF54 SPY) then remove and retain SF54 SPY.**

**I did check out your web site but was not able to process my requests, mainly down to my lack of IT skills and I didn't want to risk losing any numbers.**

**Yours truly**

## Before you start

To take off or put a vehicle registration number on a vehicle the following must apply:

- The vehicle must exist and be registered at DVLA.
- You must be or are becoming the registered keeper of the vehicle you are taking the number off.
- The vehicle must be taxed or you have made a Statutory Off Road Notification (SORN)
- The vehicle must be available for inspection.
- The vehicle must be a testable type, subject to MOT/GVT (road worthiness test).
- You cannot display a vehicle registration number that will make your vehicle appear younger.

### Note:

If you are taking the vehicle registration number off a vehicle to keep on a retention document, you, as the registered keeper, can choose to become the Grantee or you can give up your right to the vehicle registration number and give the details of someone else as the Grantee. Once the application is finalised only the Grantee will have the right to the vehicle registration number.

## Documents you need

- Application to keep a vehicle registration number or put it on another vehicle' (V317) – filled in with the vehicle details
- Vehicle Registration Certificate (V5C) for each vehicle – please enclose the full certificate. If you have changed address or changed keeper, you must fill in section 6.
- Insurance Certificate (Northern Ireland only)
- £80 fee

## Where to apply

You must send your application and the appropriate documents to:

DVLA Personalised Registrations,  
Swansea  
SA99 1DS.

## You can pay by:

Cheque, banker's draft or postal order made payable to 'DVLA Swansea'.

## What happens next?

The DVLA may want to inspect your vehicle. If so, the DVLA will contact you.

Once your application is approved, the following will apply.

- The vehicle in section 2 or 7 (depending on what you're applying for) will be given a replacement vehicle registration number appropriate to its age, unless you want to assign another personalised vehicle registration number at the same time
- The vehicle in section 5 will have its current vehicle registration number withdrawn (even if it is a personalised registration number), unless you also apply to transfer or retain it when you make this application.
- We will send your new V5C and a Retention Document, (if you are retaining the vehicle registration number), within two weeks of receiving your application. However, this could take up to four weeks if you included an 'Application for a vehicle registration certificate' (V62) or if we need to inspect the vehicle.
- If you have given someone else's details as the Grantee the Retention Document will be sent to them.
- You are responsible for informing your insurance provider of your new registration number, otherwise you may receive a continuous insurance penalty.

When the Ferrari 360 was revealed at the 1999 Geneva motor show, it wowed the crowds with its svelte, sweeping bodylines. It was a far cry from the last two decades' trends of sharp angles, pop-up headlights and open slats over the engine bay. In their place were curved wings; fixed headlights and a clear glass cover showcased the V8's bright red plenum chambers. The Ferrari 360 was the company's first production car with the chassis, body shell and even the suspension wishbones all constructed from aluminium. The 400hp V8, coupled with these lightweight aluminium components, gives the 360 a fantastic performance that was a substantial improvement over the F355. This particular Manual Ferrari 360 Modena is presented in the stunning Nero Daytona. The interior features original factory carbon sport seats in medium, finished in Tan hide, Black carpets, climate control, electric windows and heated door mirrors. The wings are embellished with factory-fit Scuderia shields whilst the rear has a factory fitted challenge grill. It is accompanied by a complete factory book pack, stamped service book, two sets of keys, plus its original tool kit. The car was first registered in August 2002, and has been lovingly maintained by subsequent owners ever since. It now presents with outstanding service history, having only ever been worked on by main dealers and marque specialists. This beautiful Ferrari 360 Moderna is ready to drive and enjoy. 1st June 2017

Dear Mr Havill

## We've updated your Car policy

Policy number 002X5908616/N03

Thank you for letting us know about the changes to your details on Thursday, 1 June 2017 at 14:24 hours. We've updated your policy and your amended documents are enclosed.

Please check the details carefully and keep your documents in a safe place.

All changes take place with effect from 14:24 hours on 1 June 2017.

- Instructions were given to add SF54SPY as an additional vehicle with comprehensive cover, main driver only used for social, domestic and pleasure only. You have 5 years introductory no claims discount which is protected with a voluntary excess of £150, with a theft excess of £1,600 with Mutual Assist Road Rescue.
- I confirmed that this vehicle is covered if driven in European countries and if needing breakdown cover to bring you home then the dates would need to be added to the policy to cover this.

### Any questions?

If you have any questions, or if you need to tell us about any other changes, please call us on 01202 882937 and we'll be happy to help.

Yours sincerely

**No Claims Discount (NCD) protection**

NCD protection does not protect the overall price of your insurance policy. The price of your insurance policy may increase following an accident even if you were not at fault. NCD protection allows you to make one or more claims before your number of no claims discount years falls. With NFU Mutual's NCD protection you can have up to two claims in five years without affecting your NCD. Please see the step back procedures for details.

You have purchased NCD protection.

**SF54SPY. This has increased your premium by £28.83.** You have a current NCD of 5 years.

The tables below show: (i) the NCD discount awarded to our Car insurance policyholders last year according to their number of NCD years; and (ii) what would happen to your NCD years if you were to make one or more claims with and without this protection.
